EDUCATION

Fresno State University   **December 2023**
B.S., Computer Science   *Fresno, CA*
- FSU Computer Science Club's Treasurer 2018 – 2019

PROJECTS

Personal Website – www.josenieblas.com
- My goal was to learn a new library and implement my portfolio online.
- Used: React.js & Firebase.
- https://github.com/jdofa/mywebportfolio

Checkers Game Website
- A locally hosted website that allows users to make an account to play checkers locally or against a bot. User's can compare stats when looking at the global leaderboard or analyze previous games in their local leaderboard.
- Used: JavaScript, DOM API, PHP, HTML5, CSS3, XAMPP (Apache and MySQL).
- https://github.com/jdofa/Checkers130

Chatroom
- A chat room that allows multiple users to send messages to each other on the same network in real time.
- Used: Python3, threading, web sockets.
- https://github.com/jdofa/BreakoutRoom
